OUR COMPANY

PROACTIVE & PROFESSIONAL

BRISBANE STUDENTS IS A RENT MY PROPERTY COMPANY

RENT MY PROPERTY

PROPERTY MANAGEMENT: IT'S ALL WE DO

Rent My Property is the trusted name in Property Management.

With more than 30 years experience in rental property and specialist Property Management in Queensland we have offices in Brisbane, Ipswich and Redcliffe.

We have created a new dynamic approach to Property Management and rentals by being the first fully mobile service in Queensland.

Over the years, we have found that most real estate offices focus on sales instead of Property Management. This is usually to the detriment of the property Owner and Tenant.

At Rent My Property, we believe that Property Management is a very specialised area of real estate. We strive for continuous improvement of our service and keep abreast of the latest Property Management legislative changes, so we can provide the best service that our clients deserve.
