Welcome to Raymont Residential College

Established in 1944, Raymont has a wonderful history of supporting students in the pursuit of their academic studies. Students have lived, studied and grown in all aspects of their life while at Raymont. Although there have been many changes to the college since that time, our vision remains focused on enriching the well-being of all students and supporting their academic development within a caring community built on Christian values.

This is achieved through a number of programs including our 'Flourishing at University' series, tutorial programs, sporting teams, organised social activities, Christian fellowship and the newly introduced Leadership Certificate course. We maintain an active residential assistant program in which senior students are selected as mentors and our staff provide specialist academic, administrative and pastoral support.

It is a great privilege to contribute to the personal and academic development of all students at Raymont. I know that I speak on behalf of all staff when I say that we look forward to providing the best available support to see the next generation of tertiary students develop the skills, confidence and leadership to flourish in their future professional roles.

Amazing catering and facilities.

Accommodation

Our rooms are generously proportioned (10m²) and individually secured. Each room contains:

- a long single bed
- large study desk and chair
- bookshelves
- built-in wardrobe and chest of drawers
- ceiling fan
- unlimited wi-fi

Each room is part of a unit of 7–9 other rooms. Each unit includes three bathrooms, common lounge, and kitchen areas equipped with a TV, ironing board, iron, lounge chairs, fridge, microwave, kettle, and toaster. These shared facilities ensure that you have everything you need within easy reach.

Catering

We provide three hot meals a day, seven days a week and cater for all student dietary requirements (vegan, vegetarian, allergies etc.). Meals are included as part of your college fees.

Common amenities

Wireless internet is available throughout the college with unlimited downloads.

Other facilities available to all residents include a swimming pool, new gym, library, volleyball court, two insulated music rooms, café, laundry, quiet study areas and a recreation house with television, Foxtel, pool table, table tennis and a variety of board games for relaxation.

Free car parking and secure bicycle storage are available on-site for residents.

Caring community

The real highlight of residence at Raymont is the friendly and caring community. Our mid-sized college of 120 students ensures a strong community, friendships and support for students.

We also provide 24/7 care and support, with an on-site Principal and support staff.

The Raymont Difference

We offer so much more than just student accommodation. Raymont enriches the personal well-being and academic development of every student within a caring community.
